

Villiera Chenin Blanc 2020

main variety Chenin Blanc

vintage 2020

analysis alc: 14.05 | ph: 3.36 | rs: 4.7 | ta: 6.1

type White

producer Villiera Wines

style Dry

winemaker Jeff Grier

taste Fruity

wine of Stellenbosch

body Full

tasting notes

The wine has abundant fruit with a hint of wood spice on the nose, including pineapple, guava and citrus. On the palate it is rich with a hint of freshness. It is well balanced with a long finish.

ageing potential

The wine has the structure to last for 5 years, but Chenin Blanc can also be enjoyed young.

blend information

100% Chenin Blanc

in the vineyard

The fruit comes from 3 blocks including 40 % old bush vines.

about the harvest

The majority of the grapes are picked midseason by hand at optimum ripeness. A component was picked earlier to introduce freshness due to the warmer vintage. 2020 was a healthy vintage and there was virtually no botrytis.

in the cellar

After crushing and destalking, about 4 hours of skin contact is allowed before gently pressing. The earlier picked portion was whole bunch pressed. After overnight settling the clear juice is spontaneously cold fermented. Fifty percent of the wine was fermented in oak but removed immediately after fermentation. The blend remains "sur lie" for 2 months prior to stabilization and bottling.
